

**Promises
are great.**

**Guarantees
are better!**

Performance Education's PY Plus is the only Professional Year program to guarantee you a professional job offer to get you started in your career – or your money back!

The points you want, the career you need, the life you have earned.

14,500

lives changed

4,000

host companies including
Australia's most sought after brands

96%

of our PY graduates would
recommend PE to a friend*

Upon successful completion of the Professional Year program qualifying candidates may also be eligible to receive points towards their permanent residency under the Skilled Migration pathway.

We see a world where every graduate has the skills and opportunity to pursue the career of their choice.

At PE we are passionate about changing the employment landscape for international graduates. We understand how tough it can be out there!

Every day our dedicated team of specialists works to change our customers' lives for the better, driven by a relentless commitment to giving graduates an employability edge through learning and industry connections.

As Australia's #1 Professional Year provider we go the extra mile to ensure our graduates get the best possible outcomes. Our 14,500 PY graduates have experienced outstanding employment outcomes, and we want you to also - PY Plus is the **only program** which guarantees your future success. Or you will get your money back!
